UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Revision of USIB Policy Paper on Information
Release to Contractors

REFERENCES : a. USIB-D-39.5/20, 12 July 1965
b. USIB-D-39.5/19, 26 August 1963

1. The CIA, State, DIA, and AEC members of USIB have concurred in the Committee on Documentation (CODIB) request that Footnote 2 of reference b. be revised as recommended in paragraph 2 of the attachment to reference a. The FBI representative abstained. The NSA member concurred subject to modification of the footnote to read as follows:

"This directive deals solely with intelligence, which for purposes of this directive, is defined as information reports and intelligence produced and disseminated by CIA, INR/State, DIA, NSA, ACSI/Army, ONI, ACSI/Air Force, the AEC and the Military commands. This specifically excludes Foreign Service Reporting and Communications Intelligence. Permission to release Foreign Service Reporting must be obtained from the Department of State, and permission to release Communications Intelligence must be obtained from its originator. Communications Intelligence is covered specifically by para. 3 of this directive, in that it bears one or more codewords or special instructions which dictate handling in special dissemination channels."

2. The Chairman of CODIB has reviewed the proposed NSA modification, quoted in full above, and believes that it is entirely consistent with the CODIB recommendation regarding Footnote 2 and with the body of the basic policy paper itself (reference b.). He sees no objection to the NSA wording and has suggested that it be circulated to the other USIB members for their concurrence. Because of these circumstances he does not believe that it is necessary to seek formal CODIB approval of the proposed NSA modification before seeking USIB concurrence.

USIB Action Requested

3. Board members are requested to advise the Secretariat by telephone no later than close of business 3 August of their concurrence in or other views on the NSA modification of Footnote 2 as quoted in full in paragraph 1 above.
